2 MARCH 2026 Pathfinder Round Table Handout

- STEM Nova Twilight Camp

STEM Nova Twilight Camp is perfect for curious minds who love to build, test, and explore. Scouts attend camp for five consecutive evenings and dive into hands-on science, technology, engineering, and math activities designed specifically for Cub Scout ages. This evening-only format fits around daytime schedules while giving Scouts a fun, focused STEM experience that supports STEM Nova achievements.

Non-Scout siblings are welcome also! They need to be Cub Scout age (entering second grade in the Fall on up).

Where: Cub World - Beaumont Scout Reservation
When: June 22 (Monday) - June 26 (Friday)
Time: 6:15 - 8:45 p.m.
Theme: Science, Technology, Engineering, Math
How Much: $75 per Cub Scout

Register Here
July 22nd-26th, 6:15-8:45 p.m.

SIBLINGS ARE WELCOME AS WELL! They need to be of Cub Scout age, going into Kindergarten in the Fall and up. There is no Pee Wee day care program with this camp.

This is a commuting camp to Cub World each night. Gathering time - 5:45 p.m.

Program kickoff - 6:15 p.m. Program should end about 8:45 p.m. Individual registrations accepted or come as a Den or Pack. Everyone from the same Pack will travel together in the same rotation group. Participants will receive a STEM shirt, STEM patch, a headlamp, plus other program elements!

Cost: **$60** until June 6th, $70 after that.
