PLANNING & BUDGET
PROGRAM DEVELOPMENT

Every Cub Scout deserves a fun, robust, educational and exciting program! Creating a plan at the beginning of the year will help ensure success for your pack and Scouts!

- First, brainstorm about fun activities, adventures, and experiences your pack could have this year. Include all the Scouts and parents, if you can, to get the most and best ideas:
  - What council and district level activities will you include, like summer camps, fall events, trainings, etc.?
  - What traditional pack activities will you include: Pinewood Derby, Raingutter Regatta, and Blue and Gold banquet?
  - What resources do you have in your pack? Are there parents who work at locations where you could do tours, service projects or outings such as the local fire station, radio/tv station, or cultural institutions like museums or historic sites?
  - What are some fun activities you may want to include, however big or small, like picnics, a trip to Six Flags, weekend camp outs, etc.?
  - Reach out to your unit commissioner, as well, while you are going through the process. It is that individual’s job to help your unit have a healthy program.

- Next, your pack committee can review all the suggestions, narrow down to the activities that make sense for your unit, and plan on when they make the most sense to do.

- Lastly, communicate the plan to your families. That can be as simple as a printed list with the pack dates to be handed out at meetings or emailed out. You could also use the talents of a parent or leader and take advantage of the services offered in Scoutbook to communicate events via calendars and reminders, create Facebook events, or create a Google calendar. Some times the best method of communication is a variation of multiple mediums!"

BUDGET & FUNDING

Program planning needs to also include a funding plan. Use the budget planning tool on the next page to see how much your year of Scouting will cost, and what your individual Scout and/or pack fundraising goals should be.

See a sample budget worksheet on the next page:

This is an example, your budget may include more or fewer lines, depending on your program.

Friends of Scouting (FOS) is the annual giving campaign of the Greater St. Louis Area Council. The FOS campaign provides nearly 20% of the council budget every year. That means that a significant portion of the council budget comes from the generosity of Scouting families, alumni and community supporters. Without this funding, our council could not supply the resources necessary to provide a quality, adventure-filled Scouting program.

Each gift to the council provides tremendous assistance for:
- insurance for leaders and participants
- improving camp properties for your Scouts and future Scouts
- financial assistance for families in need
- volunteer training and support
- growing the Scouting program
RECRUITING

We believe that Scouting is the best leadership and character development program for youth and strive to ensure that every child in every community has the opportunity to join. As a leader in your unit, you can ensure other families in your community receive that invitation, while also ensuring that your unit grows and continues to thrive and provide life changing program for kids.

Fall Recruitment Campaign
Most families join Scouting in the late summer, as the school year is starting, so your recruiting efforts will be most impactful at this time and should be well planned by your unit committee.

Specific fall recruitment training will be conducted over the summer, but the best practices always include:

- Having a table at the back to school fairs
- Planning and promoting a joining night a few weeks after school starts
- Inviting families to join through flyers, school talks and personal social media posts
- Following-up with families who missed the joining night with a second chance joining opportunity about one month later

For resources and ideas to help with recruiting, visit: https://stlbsa.org/programs/recruitment/
Scoutbook is your online resource to assist with managing your unit. Included in this free app are calendars, award tracking, and other tools including ways to communicate with parents.

Scoutbook now offers a Den Leader Experience that helps den leaders plan and prepare for den meetings. Details are provided through the site on what to do before, during and after meetings as well as providing resources needed to deliver the program in an easy to navigate experience.

**SCOUTBOOK IS FREE FOR EVERYONE REGISTERED IN SCOUTING. ONCE YOU ARE REGISTERED, YOU OR ANOTHER LEADER CAN SET UP WHO IS IN YOUR DEN AND OFF YOU GO!**

Want to know if your unit has a healthy program? Check out the Journey to Excellence score sheet on the next page! You can also use this as a tool to develop your annual program.
Scouting’s Journey to Excellence
2020 Pack Planning, Performance, and Recognition

Journey to Excellence uses a balanced approach to measure performance. It guides program planning before the year begins, monitors activities for continuous improvement during the year, and recognizes performance at the end of the year. In planning your strategy, use actual numbers from the previous year to guide your performance improvement goal planning. The period for measuring performance will be the calendar year.

<tbody>
<tr>
<td>1. The pack has a program plan and budget that is reviewed at all pack committee meetings, and the pack follows BSA policies relating to fundraising and fiscal management as found on the Unit Money-Earning Application form. The council has developed for fundraising and fiscal management. Program plans and budget are reviewed with den leaders and parents at the start of the program year. The pack’s program plan should be shared with the unit commissioner.</td>

<tr>
<th>Membership Measures</th>
</tr>

<tbody>
<tr>
<td>2. A formal recruitment event is conducted to serve the diversity of the local community and new members are registered by October 31, 2020. On December 31, 2020, the pack has an increase in the number of youth members as compared to the number registered on December 31, 2019. A membership growth plan template can be found at <a href="http://www.scouting.org/membership">www.scouting.org/membership</a>. The pack has an up-to-date plan on the “Be a Scout” website.</td>
</tr>
<tr>
<td>3. Number of youth members on the most recent charter renewal (A) divided by the number of youth registered at the end of the prior charter year (B) minus any age-outs (C). Total = (A) / (B-C). Age-outs are youth who are too old to re-register as Cub Scouts. If the pack has a December charter, use the one expiring on December 31, 2019, otherwise use the one expiring during 2020.</td>
</tr>
<tr>
<td>4. Hold at least two joint activities with a troop or troops, and have graduating boys or girls register with a troop. “The Scouting Adventure” for second-year Webelos is described in the Webelos Scout Handbook. <tr>
<td>6. The pack has activities and field trips in the outdoors, which could include outdoor pack meetings, hikes, family camps, parades, outdoor service projects, etc. All dens have the opportunity to participate.</td>

<td>7. Cub Scouts attend an in-council or out-of-council Cub Scout day camp, family camp, and/or Cub Scout resident camp in 2020. STEM programs either as a day camp or resident camp are also included. All levels are total number of different Cub Scouts attending (A) divided by total number of Cub Scouts registered in the pack as of June 30, 2020 (B). Total = (A) / (B)</td>

<td>8. The pack participates in at least two service projects during the year and enters them on the Service Hours website or through Scoutingbook. The projects may be completed as joint projects with other organizations. At least one project must benefit the chartered organization.</td>
</tr>
<tr>
<td>9. Have at least eight pack meetings or activities within the past 12 months, with one of those meetings being to review the pack’s program plans and asking for parental involvement in the pack. Den meetings start by October 31, 2020 and all dens meet at least twice each month within the past year. Pack earns the Summertime Pack Award.</td>

<th>Volunteer Leadership Measures</th>

<tr>
<td>10. The pack has a Cubmaster, an assistant, and a committee of at least three members. Ideally, the chartered organization representative should not be dual registered as one of the committee members. The pack identifies persons for next year’s leadership for existing dens, including Cubmaster, Den Leaders, and Webelos Den Leaders prior to the start of the program year. All dens have a registered leader by October 31, 2020. Program plans are shared with parents at pack meetings.</td>

**Scoring the pack’s performance:** To determine the pack’s performance level, you will use the above information to determine the points earned for each of the 11 criteria and then add those individual point scores to determine a composite score. Count only the highest point total achieved in any one criterion. Bronze level requires earning at least 525 points in at least 7 criteria. Silver level requires earning points in at least 8 criteria and 800 points. Gold level requires earning points in at least 9 criteria, meeting at least bronze standards in outdoor activities, and earning at least 1,050 total points.

Be sure to report all service hours. We want to keep track of all the good Scouting does for the community, and it is a key measurement goal in the Journey to Excellence program. Last year, Scouts in the Greater St. Louis Area Council performed 226,077 hours of service to their communities.

**MEMORIAL DAY GOOD TURN**

**MAY 24, 2020**  
**MAY 29, 2021**

**Jefferson Barracks National Cemetery and United Hebrew Congregation (St. Louis)**

**STLBSA.ORG/MEMORIAL-DAY-GOOD-TURN**

For more than six decades, Scouts have been decorating graves with an American flag to honor veterans for Memorial Day.

At Jefferson Barracks National Cemetery, the tradition, entering its 72ND year, is one of the longest running Memorial Day events within the Boy Scouts of America. This Good Turn begins with a solemn procession into the cemetery and short 30-minute ceremony honoring deceased military personnel. Following the ceremony, Scouts and Venturers place an American flag at more than 150,000 graves throughout the cemetery.

Members of all religions and ages are also invited to help place over 7,000 flags on the graves of our war veterans at St. Louis area Jewish cemeteries. The event is sponsored by the Jewish War Veterans and the Jewish Committee on Scouting. Youth perform a brief ceremony at each grave site for a meaningful experience.

Scouts of all ages and from all districts are invited to participate in both Good Turn events.
