CALENDAR & BUDGET
PROGRAM DEVELOPMENT

Every Scout deserves a fun, robust, educational and exciting program! Creating a plan at the beginning of the year will help ensure success for your Troop and Scouts!

- First, brainstorm about fun activities, adventures, and experiences your troop could have this year. Include all the Scouts and parents, if you can, to get the most and best ideas:
  - What council and district level activities will you include, like summer camps, fall events, trainings, etc.?
  - What resources do you have in your unit? Are there parents who work at locations where you could do tours, service projects or outings such as the local fire station, radio/tv station, or cultural institutions like museums or historic sites?
  - What are some fun activities you may want to include, however big or small, like picnics, a trip to Six Flags, weekend camp outs, etc.?
  - Reach out to your unit commissioner, as well, while you are going through the process. It is that individual’s job to help your unit have a healthy program.

- Next, your troop committee can review all the suggestions, narrow down to the activities that make sense for your unit, and plan on when they make the most sense to do.

- Lastly, communicate the plan to your families. That can be as simple as a printed list with the event dates to be handed out at meetings or emailed out. You could also use the talents of a parent or leader and take advantage of the services offered in Scoutbook to communicate events via calendars and reminders, create Facebook events, or create a Google calendar. Some times the best method of communication is a variation of multiple mediums!

BUDGET & FUNDING

Program planning needs to also include a funding plan. Use the budget planning tool on the next page to see how much your year of Scouting will cost, and what your individual Scout and/or troop fundraising goals should be.

This is an example, your budget may include more or fewer lines, depending on your program.
The yearly calendar planning process is important for each troop.

One of the key elements of all successful units is the Annual Program Plan and Planning Conference. Research has shown that a common element of a strong unit is a good annual program planned a year in advance that is then shared with all families in the form of a calendar. The important result of a shared annual program calendar is that a unit will attract more families and Scouts will stay involved longer.

Check out the Troop Annual Program Planning Conference Guide at https://www.scouting.org/programs/scouts-bsa/program-planning-tools/

**Friends of Scouting (FOS)** is the annual giving campaign of the Greater St. Louis Area Council. The FOS campaign provides nearly 20% of the council budget every year. That means that a significant portion of the council budget comes from the generosity of Scouting families, alumni and community supporters. Without this funding, our council could not supply the resources necessary to provide a quality, adventure-filled Scouting program.

Each gift to the council provides tremendous assistance for:
- insurance for leaders and participants
- improving camp properties for your Scouts and future Scouts
- financial assistance for families in need
- volunteer training and support
- growing the Scouting program
MEMBERSHIP

We believe that Scouting is the best leadership and character development program for youth and strive to ensure that every child in every community has the opportunity to join. As a leader in your unit, you can ensure other families in your community receive that invitation, while also ensuring that your unit grows and continues to thrive and provide life changing program for kids.

How to grow your troop
Most families join Scouts BSA troops when an Arrow of Light Scout finishes the Cub Scout program and graduates into Scouts BSA, mid-spring.

Best practices to ensure your Troop is growing are:

- Build a relationship with the local Cub Scout pack(s) so that when their Scouts are ready to cross over, they already are familiar and comfortable with your troop.
- Host a troop open house every year. Families locations and schedules are ever changing, so some Scouts will join your troop because they are new to the community or are looking for new and different activities.
- Encourage Scouts to recruit their friends, perhaps by having every Scout invite a friend to attend a certain activity or event with the troop.

For resources and ideas to help with recruiting, visit: https://stlbsa.org/programs/recruitment/
Scoutbook is your online resource to assist with managing your unit. Included in this free app are calendars, award tracking, and other tools including ways to communicate with parents.

SCOUTBOOK IS FREE FOR EVERYONE REGISTERED IN SCOUTING.

Want to know if your unit has a healthy program? Check out the Journey to Excellence score sheet on the next page! You can also use this as a tool to develop your annual program.

A service project is a special Good Turn that puts Scout spirit into action. Projects can take many forms such as a community cleanup, repairing a place of worship, improving a wildlife habitat, or organizing a recycling effort.

Be sure to report all service hours. We want to keep track of all the good Scouting does for the community, and it is a key measurement goal in the Journey to Excellence program. Last year, Scouts in the Greater St. Louis Area Council performed 226,077 hours of service to their communities.

To easily log your unit’s service hours, visit https://stlbsa.org/activities/community-service-log/

MEMORIAL DAY GOOD TURN

MAY 29, 2021

Jefferson Barracks National Cemetery and United Hebrew Congregation (St. Louis)
STLBSA.ORG/MEMORIAL-DAY-GOOD-TURN

For more than six decades, Scouts have been decorating graves with an American flag to honor veterans for Memorial Day.

At Jefferson Barracks National Cemetery, the tradition, entering its 72ND year, is one of the longest running Memorial Day events within the Boy Scouts of America. This Good Turn begins with a solemn procession into the cemetery and short 30-minute ceremony honoring deceased military personnel. Following the ceremony, Scouts and Venturers place an American flag at more than 150,000 graves throughout the cemetery.

Members of all religions and ages are also invited to help place over 7,000 flags on the graves of our war veterans at St. Louis area Jewish cemeteries. The event is sponsored by the Jewish War Veterans and the Jewish Committee on Scouting. Youth perform a brief ceremony at each grave site for a meaningful experience.

Scouts of all ages and from all districts are invited to participate in both Good Turn events.

The Counselor In Training (CIT) program allows Scouts who are 14 or 15 years old to participate for up to three weeks as a volunteer camp staff member. Participants work in several program areas, giving them the experience to decide if working as a full-time camp staff member is something they would enjoy. The program is at S bar F Scout Ranch, Camp Joy, Camp Warren Levis, Rhodes- France, and Camp May. Lodging and meals will be provided. CIT applicants will take part in the camp staff interviews in late 2020.

CAMPERSHIPS (FINANCIAL ASSISTANCE)
Every youth deserves the opportunity to attend summer camp, regardless of financial situation. The Greater St. Louis Area Council offers several ways for Scouts to earn their way to camp, including popcorn sales and camp cards. For those Scouts who need additional assistance, camperships are available. Apply at stlbsa.org.

DISCOUNTS
Second week discount: Attend a week of Scouts BSA or Venturing summer camp and get $100 off a second week of camp (excludes National Youth Leadership Training, and Horse camp). Or, get $50 off a GSLAC camp if you spend a week at another council's camp or high-adventure base.

Family discount: A $100 discount is available for siblings who attend a GSLAC Scouts BSA camp.

CAMP STAFF, THE ULTIMATE CAMP EXPERIENCE
Each year, the Greater St. Louis Area Council hires dedicated and passionate individuals to serve on summer camp staff. Staff members provide a fun, positive experience for campers, all while earning a salary! They also have the opportunity to earn a college scholarship worth up to $1,250.

Visit the Camp Staff page at stlbsa.org this Fall for the 2021 Camp Staff application and interview information.
