

**S bar F Scout Ranch
Nims Lake Boating and Fishing Regulations:**

- Safety Afloat Guidelines are required for all boating activities.
- Reservations must be made at the council service center.
- Nims Lake was built for the Scouts. While fishing, each leader must be accompanied by at least one Scout. Every person in any watercraft (maximum 3) must be a swimmer and wear a personal flotation device (PFD) at all times. NOTE: A current Missouri state fishing license is required for all persons between the ages of 16 and 64.
- Fishing with live minnows is not permitted.
- Electric trolling motors only—gasoline engines are not permitted on the lake.
- All participants must check in with the rangers and present a camp use permit.
- Fishing is a unit activity—not individual. Buddy boats are required—see Safety Afloat Guidelines.
- All other camp rules are in effect. Violators will be asked to leave the property.
