# TRAINING 2018-19

Visit [stlbsa.org/training](http://stlbsa.org/training) for more details and to register.

---

A trained leader is knowledgeable and more confident in the role being performed. Trained leaders impact the quality of programs, leader tenure, youth tenure, safety, and a whole lot more. In short, a trained leader is better prepared to make the Scouting program all it can be!

In addition to the trainings listed in this session, your district holds position-specific trainings. Many courses are also offered online at [my.scouting.org](http://my.scouting.org).
