VENTURING · BSA®

Venturing is for young women and men ages 14 (or 13 and completed 8th grade) through 20.

Lead The Adventure.

You love exploring your passions, making new friends, and discovering the world. You're always looking for an adventure. Rappelling a cliff. Perfecting your shot. Designing a robot. Kayaking into the sunset. Exploring your faith. Volunteering at an animal shelter. The choice is yours! Each activity provides an opportunity to shine and learn more about yourself and the world around you. Venturing is youth-led and youth-inspired. You'll acquire life skills and gain experiences that will prove to be valuable regardless of where your future takes you, all while having a blast: leadership, event-planning, organization, communication, responsibility – the list goes on!

Four Areas Of Emphasis In Venturing:

Adventure - Mentoring, leading, and participating in crew-led adventures.

Leadership - Ongoing leadership development through training, mentoring, and hands-on leadership.

Personal Growth - Goal-setting in support of personal growth.

Service - Leading and participating in community service.
