FALL RECRUITMENT PLAN

Every child needs Scouting’s values: life-changing and life-directing character traits, decision-making abilities, and teamwork and leadership skills. Children need mentors and positive adult role models in their lives. Scouting provides those in a structured, fun environment.

Compared to their non-Scout peers, Scouts grow up to do better in school, graduate from high school and college at a higher rate, value and practice their faith more consistently, are more financially responsible, attain higher incomes and home ownership, report higher confidence in their abilities and satisfaction with their lives, and give back to their communities.

Because you give time and effort to Scouting, kids will have the advantages in life they may not otherwise have. However, kids will not get all that you and Scouting have to offer if they don’t join. It all starts with giving every eligible child the opportunity to join. It starts with you!

Your Task

- Get other parents and volunteers to help grow Scouting this fall.
- Follow the plan in the packet.
- Have fun... You’re changing the lives of kids!

First Things First

Don’t overthink this! Families are coming to your Sign-up Night to join Scouting. It is important to have a quick, “in-and-out” registration event.

1. Make every family feel welcome.
2. Make joining easy.
3. Make joining accessible to all eligible kids.
4. Make joining that night the priority.

Follow the best practices in this plan to have a successful fall recruitment!

Preparing for the Sign-up Night
(continued)

FAMILY SCOUTING: The Boy Scouts of America (BSA) believes we owe it to families to structure our program offerings in a way that fits into their busy lives to deliver character development and values-based leadership training that Scouting promises.

CUB SCOUTS: Last year, the BSA opened the Cub Scouts program to the entire family—allowing parents to choose it for their sons and daughters.

It is important to note that this is a local choice, decided by a pack’s chartering organization. With their approval, packs can now welcome even more youth to the character development and values-based leadership that Scouting promises.

SCOUTS BSA: This year, the Boy Scouts program—for older boys, ages 11-17—was renamed to Scouts BSA. The program maintains the time-tested, proven Scouting methods—including the patrol method, merit badge program, and Eagle Scout rank—but is now also available for older girls, ages 11-17. Scouts BSA troops remain single-gender. Since launching in February, more than 25 new Scouts BSA troops for girls have started in our council!

Core Principles Adopted Locally

- Leader training: Leaders should understand these new options and emphasize keeping the child and family first. If your pack is not enrolling girls, or you are involved with a Scouts BSA troop for boys, then know what programs are available nearby where interested families can join. They must feel welcomed by Scouting. Your district executive and membership committee can help. It is important to have a Family Scouting plan prior to the promotion of the Sign-up Night. Work through your district executive and membership committees.

- Respect and maintain chartering organization relationships: They can choose to have a pack of all-boy dens, all-girl dens, or boy and girl dens. For older youth, they can choose to charter a Scouts BSA troop for boys, a troop for girls, or two troops—one for boys and one for girls. These are local choices.

- Keep everything local: Serve youth and families where there is a need.

Research shows that our programs are extremely appealing to today’s busy families.

90% are interested in a program like Cub Scouts for their daughters

87% are interested in a program like Boy Scouts® for their daughters

Families today are busier than ever and with less free time, families want convenience.

In fact, convenience beats cost as the #1 concern.
Preparring for the Sign-up Night
(continued)

The Sign-up Night should be arranged so families proceed in assembly-line fashion through five stations. Assign these roles by July 31 so helpers can prepare.

- **Arrival & Setup**
  Who will arrive 30 minutes early to make sure all supplies are laid out and the room is arranged?
  Assigned to: __________________________

- **Station 1: Welcome & Sign-in**
  Make sure all guests are greeted with a smile and sign-in.
  Assigned to: __________________________

- **Station 2: Provide Unit Information**
  Provide basic info about your unit (e.g. den or patrol structure), the next meeting details, and a copy of your 2019-2020 program calendar.
  Assigned to: __________________________

- **Station 3: Fill Out Application**
  Parents should fill out the youth application here. Computers can also be setup to take online applications if you have internet access.
  Assigned to: __________________________

- **Station 4: Collect Registration Fee**
  Collect the registration fee tonight. Any additional unit dues should be collected later, once Scouts have an opportunity to participate in fundraisers and/or raise their own funds. Paying your own way is an important part of Scouting. Don’t avoid this for the sake of convenience.
  Assigned to: __________________________

- **Station 5: Fun Activity**
  Have a craft, game, Pinewood Derby track, or photo booth at the very end. This ensures families visit all stations and do so quickly.
  Assigned to: __________________________

**In Your Recruitment Kit**

Each pack and troop will receive a Fall Recruitment Kit at August Roundtable that contains:

- Yard sign (1 per school)
- Sign-in rosters
- Flyers (if request received in time)
- Ink pens
- Permanent marker
- Adult and youth applications
- Station table tents
- Posters
- Collection envelope (to take to your headquarters that night)
- New Parent Orientation Guides (Cub Scouts only)
- Mini Boys’ Life magazines (Cub Scouts only)
- New Cub Scout Leader Guides (Cub Scouts only)
Promoting the Sign-up Night
Promotion is much more than flyers and school presentations. It requires many points of contact.

Conducting the Sign-up Night

Arrange the room in stations similar to the example below. Post clear signage at the facility, entrance, and room. Make families feel welcome. Make joining that night—application and payment—the priority. Have fun!

- Station 1: Welcome & Sign-in
- Station 2: Provide Unit Information
- Station 3: Fill Out Application
- Station 4: Collect Registration Fee
- Station 5: Fun Activity

Displays & Decorations (e.g. posters, uniforms, handbooks, camp gear)

Greeting at Entry Door

Last fall, Cub Scout packs on average recruited 9% fewer new kids than the previous year... except those that participated in the BSA’s Facebook Geofencing pilot program. **THEY RECRUITED 7% MORE**! As a result, this pilot program is now available to all packs in our council at **NO COST**!

**WHAT IS GEOFENCING:** Geofencing allows you to promote an event through Facebook by creating a geographic virtual boundary around a specific location that triggers various actions, like newsfeed ads or notifications, when someone enters that area.

**REQUIREMENTS TO PARTICIPATE:** All packs can participate. The cost is fully paid by the BSA. Your event MUST be held at your local elementary school—events at churches, parks, etc. are ineligible for this pilot program. This promotion is limited to one event per pack, and event details must be received by July 31. At this time, only packs are eligible. Other Scouting units are encouraged to incorporate similar strategies in their own promotion plans.

**How It Will Work**

1. Submit your Sign-up Night Info Card by July 31.
2. A Facebook Event is created for you on the [Official Cub Scouts Facebook Page](https://www.facebook.com). It will have a unique URL so your families can also share it with their friends.
3. A geofence of two-mile radius is set up around the school where your Sign-up Night will be held.
4. Beginning 14 days before your Sign-up Night, adults aged 30-49 entering that area are triggered to receive additional Facebook promotion of your event.

**Things To Avoid**

- Arriving or starting late
- Poorly lit parking lot
- Poor signage at doors
- Locked doors
- Uninviting room
- PowerPoint slideshows
- Overwhelming new families with info
- Kicking off Popcorn Fundraiser that night
- Recruiting new leaders that night
- Sending families home to apply later

</tbody>
</table>

The first 6,000 new Scouts that join in August and September will receive FREE SCOUT SLIME! You will receive these at your district headquarters following your Sign-up Night. Distribute them to new Scouts at your next meeting.

Following-up After the Sign-up Night

- Contact families that signed-in, but did not register that night. Invite them to your next meeting.
- Conduct your next pack or troop meeting within two weeks. Hold a parent orientation at that meeting. This is your opportunity to talk about volunteer needs, training opportunities, fundraisers to offset costs, purchasing uniforms and handbooks, etc.
- Follow-up with any new Scout that did not come to that meeting. Make sure they know how much you want them to be a part of your unit.
- New Cub Scouts should attend Cub Launch (multiple locations) or Fun With Cub (Pine Ridge Scout Camp). Don’t wait until summer for fun, outdoor activities. The council hosts several events for them to experience activities like shooting bb-guns, campfire cooking, archery, and making cool Scoutcrafts soon after they join. New Cub Scouts will receive a voucher for $5 off admission!
- Girls and boys joining Scouts BSA should attend the District Fall Camporee with their new troop.
Submit this card to receive FREE, professionally produced, color flyers for distribution at schools. As a reminder units are not permitted to produce and distribute their own flyers. Cub Scout Packs must also submit the information below in order to participate in our FREE Facebook Geofencing Program this year. This information must be received by your district executive no later than July 31. Contact your local Scout service center for assistance.
