

# Welcome to Clayton's Girls BSA Troop 21G!

Scouts BSA offers a unique program that combines **outdoor adventure with leadership, citizenship, and skill-building**. Scouts build confidence and independence through a time-tested program of advancement that can lead to the rank of **Eagle Scout** – with plenty of fun along the way!

Our scouts have had **life-changing experiences**, including the chance to to:

- Build a fire
- Pitch a tent
- Administer first aid
- Cook in the wilderness
- Ride a horse
- Explore a natural cave
- Catch a fish
- Climb a rock wall
- Swim a mile
- Use a compass
- Find North using only stars, sticks & stones!

We are linked to Troop 21's boys troop out of Clayton. We share some activities and resources, but we also plan outings on our own, allowing scouts to tailor the program to their spirit of adventure!
