

Celebrate Scout Sunday with this BSA Scout Sunday 2024 Emblem. The emblem features a stylized cathedral facade, complete with soaring arches and intricate stained glass windows. The central focus is a Scouting fleur-de-lis, seamlessly integrated into the architectural design, symbolizing the Scout's commitment to duty and service. This 3-inch BSA patch comes with the words "Scout Sunday 2024." The BSA designates the Sunday that falls before February 8 (Scouting Anniversary Day) as Scout Sunday, which is the primary date to recognize the contributions of young people and adults to Scouting. Wear this patch on the official Cub Scout, Scouts BSA, Venturing, or Sea Scouts uniform. Grab your little piece of Scouting history and celebrate Scout Sunday with your Scouting family.
