Help Build A Path To Success

In Scouting, our main goal has always been to prepare the next generation for the future.

- *Giving our youth the skills they need to be prepared for life*
- *Instilling in them positive character traits that last a lifetime*
- *Encouraging service to others and good citizenship*

We have proven that Scouts really do Stand Out. And with your support, we can continue to shape the next generations of leaders, entrepreneurs and change agents.

How Scouts Stand Out

A study by Washington University in St. Louis found that Scouts are:

2x more likely to receive bachelor's degrees compared to the national average **(75.6% vs. 36%)**

2x more likely to receive advanced graduate degrees compared to the national average **(29% vs. 13.4%)**

More likely to make almost DOUBLE the personal income of the national median **($62.5k vs. $33.7k)**

More likely to have exceptional credit scores and move up in their socio-economic status

And with your donation, we can continue and enhance the programs that make this success possible!
