

Southern Illinois NESA of the Greater St. Louis Area Council Eagle Project of the Year

The **Eagle Project of Year Award** recognizes a Scout for their exceptional value and leadership with their Eagle Scout project in the Southern Illinois NESA Districts from Soaring Eagle, Kaskaskia, Cahokia Mounds, Piasa Bird, Black Gold, and Illini District of the Greater St. Louis Area Council. The winner is sent onto the Greater St. Louis Area Council and scored against the winner of Southeast MO, and the St. Louis ESL groups for consideration as the Greater St. Louis Council's submission to our territory as the territory Eagle Scout Project of the Year. *The Eagle must have passed their boards between January 1 – December 31.*

The National Eagle Scout Association established the Glenn A. and Melinda W. Adams National Eagle Scout Service Project of the Year Award (ESSPY) to recognize valuable service of an exceptional nature by an Eagle Scout candidate to a religious institution, school, community, or other entity through completion of an Eagle Scout project.

Examples of projects that have been selected for the ESSPY include projects that benefited underprivileged children, recognized veterans, were international in nature, and have required significant time and resources.

Selection of recipients begins at the local level and is conducted through the Council NESA committee. The Council NESA committee selects a recipient for their respective Council from the list of submitted nominations and then forwards a worthy candidate to the National Eagle Scout Association for National Service Territory consideration.

"Territory" ESSPY recipients are selected by each Council's territory NESA scholarship committee. Territory recipients receive \$300 available for their future educational purposes or to attend a national or international Scouting event or activity.

The recipient of the national award is then selected from among territory recipients by a special selection committee of the National Eagle Scout Association. National recipients receive \$3,500, available for their future educational purposes or to attend a national or international Scouting event or activity.
