PLANNING AND BUDGET

PROGRAM DEVELOPMENT

Every Cub Scout deserves a fun, robust, educational and exciting program! Creating a plan at the beginning of the year will help ensure success for your Pack and Scouts!

- **First, brainstorm about fun activities, adventures, and experiences your Pack could have this year. Include all Scouts and parents to get the most and best ideas:**
 - **What council and district level activities will you include, like summer camps, fall events, trainings, etc.?**
 - **What traditional pack activities will you include: Pinewood Derby, Raingutter Regatta and Blue and Gold banquet?**
 - **What resources do you have in your Pack? Are there parents who work at locations where you could do tours, service projects or outings such as the local fire station, radio/tv station, or cultural institutions like museums or historic sites?**
 - **What are some fun activities you may want to include, however big or small, like picnics, a trip to Six Flags, overnight camp outs, etc.?**
 - **Reach out to your unit commissioner, as well, while you are going through the process. That individual's position is designed to help your unit have a healthy program.**
- **Next, your Pack committee can review all the suggestions, narrow down to the activities that make sense for your unit, and plan on when they make the most sense to do.**
- **Lastly, communicate the plan to your families. That can be as simple as a printed list with the Pack dates to be handed out at meetings or emailed out. You could take advantage of the services offered in Scoutbook to communicate events via calendars and reminders, create Facebook events, or create a Google calendar. Some times the best method of communication is a variation of multiple mediums!**

BUDGET AND FUNDING

Program planning needs to also include a funding plan. Use the budget planning tool on the next page to see how much your year of Scouting will cost, and what your individual Scout and/or Pack fundraising goals should be.

GUIDES TO UNIT MONEY-EARNING PROJECTS

A unit's money-earning methods should reflect Scouting's basic values. Whenever your unit is planning a money-earning project, this checklist can serve as your guide. If your answer is "Yes" to all the questions that follow, it is likely the project conforms to Scouting's standards and will be approved.

1. Do you really need a fund-raising project?

There should be a real need for raising money based on your unit's program. Units should not engage in money-earning projects merely because someone has offered an attractive plan. Remember that individual youth members are expected to earn their own way. The need should be beyond normal budget items covered by dues.

2. If any contracts are to be signed, will they be signed by an individual, without reference to the Boy Scouts of America and without binding the local council, the Boy Scouts of America, or the chartered organization?

Before any person in your unit signs a contract, he must make sure the venture is legitimate and worthy. If a contract is signed, he is personally responsible. He may not sign on behalf of the local council or the Boy Scouts of America, nor may he bind the chartered organization without its written authorization. If you are not sure, check with your district executive for help.

3. Will your fund-raiser prevent promoters from trading on the name and goodwill of the Boy Scouts of America?

Because of Scouting's good reputation, customers rarely question the quality or price of a product. The nationwide network of Scouting units must not become a beehive of commercial interest.

4. Will the fund-raising activity uphold the good name of the BSA? Does it avoid games of chance, gambling, etc.?

Selling raffle tickets or other games of chance is a direct violation of the BSA Rules and Regulations, which forbid gambling. The product must not detract from the ideals and principles of the BSA.

5. If a commercial product is to be sold, will it be sold on its own merits and without reference to the needs of Scouting?

All commercial products must sell on their own merits, not the benefit received by the Boy Scouts. The principle of value received is critical in choosing what to sell.

6. If a commercial product is to be sold, will the fund-raising activity comply with BSA policy on wearing the uniform?

The official uniform is intended to be worn primarily for use in connection with Scouting activities. However, council executive boards may approve use of the uniform for any fund-raising activity. Typically, council popcorn sales or Scout show ticket sales are approved uniform fund-raisers.

7. Will the fund-raising project avoid soliciting money or gifts?

The BSA Rules and Regulations state, "Youth members shall not be permitted to serve as solicitors of money for their chartered organizations, for the local council, or in support of other organizations. Adult and youth members shall not be permitted to serve as solicitors of money in support of personal or unit participation in local, national, or international events."

For example: Boy Scouts/Cub Scouts and leaders should not identify themselves as Boy Scouts/Cub Scouts or as a troop/pack participate in The Salvation Army's Christmas Bell Ringing program. This would be raising money for another organization. At no time are units permitted to solicit contributions for unit programs.

8. Does the fund-raising activity avoid competition with other units, your chartered organization, your local council, and the United Way?

Check with your chartered organization representative and your district executive to make certain that your chartered organization and the council agree on the dates and type of fund-raiser.

The local council is responsible for upholding the Charter and By-laws and the Rules and Regulations of the BSA. To ensure compliance, all unit fund-raisers MUST OBTAIN WRITTEN APPROVAL from the local council NO LESS THAN 14 DAYS before the fund-raising activity.

Friends of Scouting (FOS) is the annual giving campaign of the Greater St. Louis Area Council. The FOS campaign provides nearly 20% of the council budget every year. That means that a significant portion of the council budget comes from the generosity of Scouting families, alumni and community supporters. Without this funding, our council could not supply the resources necessary to provide a quality, adventure-filled Scouting program.

Each FOS contribution to the council provides tremendous assistance for:

- insurance for leaders and participants
- improving camp properties for your Scouts and future Scouts
- financial assistance for families in need
- volunteer training and support
- growing the Scouting program

We need your help! A volunteer would like to attend your unit's meeting to share more information about Friends of Scouting and give families an opportunity to donate. As you are planning your calendar, make sure you schedule 5-10 minutes for a FOS volunteer to talk at your Spring Blue & Gold dinner. We would also like 5 minutes at a meeting 1-2 months **BEFOREHAND** to introduce the campaign and share your unit's unique donation website.

RECRUITING

We believe that Scouting is the best leadership and character development program for youth and strive to ensure that every child in every community has the opportunity to join. As a leader in your pack, you can ensure other families in your community receive that invitation, while also ensuring that your pack grows and continues to thrive and provide life changing program for kids.

Fall Recruitment Campaign

Most families join Scouting in the late summer, as the school year is starting, so your recruiting efforts will be most impactful at this time and should be well planned by your pack committee.

Specific fall recruitment training will be conducted over the summer, but the best practices always include:

- Having a table at the back to school fairs
- Planning and promoting a joining night a few weeks after school starts
- Inviting families to join through flyers, school talks and personal social media posts
- Following-up with families who missed the joining night with a second chance joining opportunity about one month later

At Jefferson Barracks National Cemetery, the tradition, entering its 73rd year, is one of the longest running Memorial Day events within the Boy Scouts of America. This Good Turn begins with a solemn procession into the cemetery and short 30-minute ceremony honoring deceased military personnel. Following the ceremony, Scouts and Venturers place an American flag at more than 150,000 graves throughout the cemetery.

Members of all religions and ages are also invited to help place over 8,000 flags on the graves of our war veterans at eight local Jewish cemeteries in the St. Louis area. The event is sponsored by the Jewish War Veterans and the Jewish Committee on Scouting. Youth perform a brief ceremony at each grave site for a meaningful experience.

Scouts of all ages and from all districts are invited to participate in both Good Turn events.

SCOUTING IS A PATH TO SUCCESS

Scouts are **TWICE** more likely to get a bachelor's degree (75.6% of Scouts alumni compared with 36.0% national average)

Scouts are **TWICE** more likely to get an advanced graduate degree (29.0% of Scouts alumni compared with 13.4% national average)

Scouts are more likely to make almost **DOUBLE** of the personal income as an adult (\$62.5k individual median income compared with \$33.7k national median)

Scouts are more likely to have very good or exceptional (750+) credit scores (55.7% of Scouts alumni compared with 39.7% national average)

Scouts are more likely to move up in their socio-economic status. Scouts that come from low-income family background are, on average, more likely to make almost twice the personal income as an adult compared to their non-scout peers with similar childhood family background.

SCOUTS ARE CHANGE AGENTS

BSA strives to bring larger, broader, and longer social impact. The BSA values (Character, Leadership, Citizenship, and Fitness) imprinted during childhood go a long way. BSA alumni continue to change the world by taking more leadership roles in organizations, engaging in more entrepreneurial activities, and undertaking more civic duties.
