

## SCOUTS READ SACRED TEXTS WORLDWIDE

Scouting has organized a few larger Councils around the world to read the entire sacred texts of the world religions on May 2, 2024. The Greater St. Louis Area Council of the B.S.A. is inviting every Scout, over one million strong, to read their chosen Sacred Texts on this important day.

The GSLAC encourages Cubs, Scouts BSA, & Venturers to consider participating in three ways.

1. Read your faith's sacred texts at home with your family.
2. Ask your faith leader to read at their faith location. Faith leaders may suggest the readings, promote, or broadcast this event to the public.
3. Invite a Scout friend to participate in this event at their home or house of worship.
