

A new payment option to join Scouting Membership

Scouting America now offers Klarna payments for your online membership application. In addition to all major credit cards and Apple Pay or Google Pay, you can now choose Klarna, a “Buy Now, Pay Later” service offering flexible payment options.

This new service will allow for flexible payment options, such as pay in 4 payments or pay in 30 days. Monthly financing is an additional option involving interest charges.

All you need to do is select the Klarna payment option when you have completed the application. If you already have a Klarna app, you complete this like any other purchase; if not, you will fill out the Klarna-specific details and set up your account.
