Scout - Ameren Skilled Trades Day - Saturday, October 28, 2025 (Sunset Hills, MO)

For any Scouts, parents, and Troop leaders

When: Saturday, September 28 - Sunday, September 29, 2024

What: With the help of Ameren, this unique Scouts BSA program will be focused on STEM-based sustainable energy and electricity activities.

Ameren will inform and inspire our Scouts in the STEM disciplines with a huge variety of activities in a quick period of time - a tour of Ameren's solar farm in O'Fallon, MO complete with overnight camping, and building and racing solar-powered cars! Merit badge sessions will also be included on Energy, Electricity, and Sustainability. Come be part of this 3rd year event!

Prerequisites on merit badges include the following:

- Energy req. #4 Electricity reqs. #2 & #8
- Sustainability reqs - download and complete as much as you can of the [booklet](#)

Basic camping gear will be required. A suggested list is available in the attachments. Saturday dinner, evening cracker-barrel, and Sunday morning breakfast are included. (Please plan accordingly for food allergies). Full details will be provided before the event.

Time: Saturday, September 28 at 3:00 p.m. to Sunday, September 29 at 11 a.m.

Where: Ameren Solar Farm, O'Fallon, MO 63376 (a map with details will be sent to participants in advance)

Cost: \$15.00 per Scout/Leader. Includes: Patch, Saturday Dinner, Sunday Breakfasts, and snacks. Blue Card merit badge cards will be available to download after event.
