COMMISSIONER'S CORNER:

Dear Fellow Scouters,

It's that time of year—**charter renewal season**! Units have until **December 31** to complete their renewal, and I'd like to share a few important reminders:

1. **You do not need every individual member "renewed" before submitting your charter.** Membership renewal is now rolling throughout the year, so you may submit even if some youth or adult renewals are still pending.
2. **Your unit must have the required Key 3 in place:**
 - Unit Leader (Cubmaster, Scoutmaster, Advisor)
 - Committee Chair
 - Chartered Organization Representative (COR)
 - Institutional Head/Executive Officer

Note: The Institutional Head can only be updated through the Council Registrar—this cannot be edited in my.scouting.org. Only your COR, or a delegated COR designee within my.scouting.org, can assign or change other adult leader positions.

3. **All registered adults must be current on Safeguarding Youth Training (SYT), formerly Youth Protection Training.**

If an adult's SYT will expire during the month of your renewal, it must be completed **before** the charter can be submitted—even if you are submitting right before the expiration date.

4. **You may pay online or submit a check at the Council Service Center—either option is acceptable.**

We will have a **Commissioner Help Desk** at the **December and January Roundtables** to assist with charter renewal questions. As always, you are welcome to reach out to your **Unit Commissioner** or to me directly for support.

Thank you for your commitment to Scouting and for everything you do for the youth of our District!

Yours in Scouting,

Joseph P. "Joe" Bradley, MD
New Horizons District Commissioner
Greater St. Louis Area Scouting
joseph.bradley@icloud.com

MEMBERSHIP:

Membership Minute:

In New Horizons, we run outstanding programs every day—and that's something to celebrate. Now we're pairing that strength with year-round recruiting: more lunchroom talks, more sign-up nights, and an even stronger push each fall for Cub Scouts. When families say "yes" to joining mid-year, let's welcome them without any pressure to catch up on rank. They're here for the experiences, the adventure, and the community. Some will want to work through requirements, and we'll support them—but it's absolutely okay for new Scouts to jump in wherever we are.

Your district membership committee and our district executives are working YEAR-ROUND to drive lunchroom talks, sign-up events, and new-unit opportunities across New Horizons.

As we build new units and strengthen existing ones, let's all be ready. Say yes to new families, meet them where they are, and invite them into the journey.

Membership fees

- \$85/yr. for Cub Scouts, Scouts BSA, Venturing and Sea Scouting participants (\$5 increase)
- \$65/yr. for all adult volunteers
- \$30/yr. for Scoutreach
- \$25/yr. for Merit Badge Counselors (Applies only to MB Counselors not already registered as leaders)
- \$50/yr. for Exploring participants Youth & Adults
- \$100/yr. unit renewal/affiliation fee
- \$15/yr. for Scout Life magazine

- Excludes Council Program Fees

Let's keep saying "Welcome!" and growing Scouting this fall. For further information or clarification, please contact any of the following:

- Your Unit Commissioner
- Joe Bradley, District Commissioner (joseph.bradley@icloud.com)
- Nick Prainito, District Executive (Nicholas.Prainito@scouting.org)

Of that total, New Horizons District collected approximately **359,374** items (NH is up 20% over last year)! ADVANCEMENT:

Scouting America (BSA) has a monthly live chat on Fridays that may be helpful:

<https://blog.scoutingmagazine.org/cubchatlive/>

The Council office has moved to using Scoutbook to log Advancement. This will help ensure advancement is recorded correctly and timely. PLEASE BE SURE TO RECORD ADVANCEMENT FOR YOUR YOUTH AS IT OCCURS.

- Regularly input advancement into Scoutbook
- Have the Unit Leader "approve" that advancement within Scoutbook
- Have the Unit Leader "award" that advancement within Scoutbook

Approving and awarding can be easily done within Scoutbook by regularly running a "Needs Approval" or "Needs Awarding" report where you can quickly approve it all. We'd really appreciate your Units staying up to date with this!

Logging "Service Hours":

When your youth and adults do community service, please be sure to log those hours using Scoutbook so that they may be rolled into the Council total – all service hours are totaled for the Council and then at the national level and are reported to Congress during the Scouting America's Report to The Nation every spring. Each hour of Volunteer Time is currently valued at over \$31 Per Hour!

Conservation Good Turn Award:

Another of the awards our Scouts (all programs) and Scouters (yes, scouters) can earn is the Conservation Good Turn Award which is described here: <https://www.scouting.org/outdoor-programs/conservation-and-environment/conservation-good-turn/>

This award is eligible for Cub Scouts, Scouts BSA, Venturing Crew Members, Sea Scouts, and Explorers, and the adult leaders of these programs. The [Certificate Application](#) may be found on the page referenced above.

Cub Scout Resources:

Are you looking for some great resources for advancement for all levels of Cub Scouts? Check out the Cub Scout Toolbox for ideas for dens and individuals working on Cub Scout ranks and achievements.

While you are checking out resources, updates to Cub Scout Advancement for the 2024-25 program year were recently posted here: <https://www.scouting.org/topics/program-updates/program-updates-cub-scouts/>

SCOUTS BSA REQUIREMENTS UPDATES:

Ranks:

There are updates to the Scouts BSA Advancement program that became effective on January 1st, 2024. There are minor changes to the Scout and Star ranks (#6). Note that the Cyberchip has been phased out and Scouts should use the Personal Safety Awareness training at:

Scouts BSA no longer have to wait 3 months between Eagle Palms – they have to earn 5 additional merit badges and live by the Scout Oath and Law.

All the changes are detailed below, including information on major and minor changes to merit badge requirements:

New Cybersecurity and Artificial Intelligence Merit Badges!

Scout BSA has recently released two NEW Merit Badges: Cybersecurity and Artificial Intelligence.

For details on these merit badges, read the “Aaron On Scouting” article:

BSA Test Labs:

Scouting America has implemented something new – The *Scouts BSA Test Lab* is an exciting way to help in the development of fun and interesting new topics unique to the Scouts BSA program. The requirements for each badge have the look and feel of merit badges, but instead of a printed pamphlet, you will find links to digital resources to help you complete the requirements. If enough surveys show Scouts enjoyed these potential new badges and a badge becomes an official merit badge, Scouts will be credited with having earned that badge! For more information, visit

<https://www.scouting.org/skills/merit-badges/test-lab/>

Training Tip:

Happy Holidays New Horizon Scouts and Scouters. Thank you for all you do for the youth in our District and Council. It probably seems like a given that we are all thankful for something this time of year. Family, friends, turkey, pie. Especially pie right?

And in this season of thankfulness and giving, how often do we take some things for granted. Our Pack, Troops, Crews and Ships seem to function so well that we don't think about all the activities, meetings, conversations and more that keep the wheels moving. For some Units that seems to go so smoothly and others struggle. For those Units that might struggle, ask for help. I have never seen an organization so dedicated to helping each other to succeed. It's like it's part of our Oath or something.

The most successful Units can probably attribute that success to training. Both the youth and adults getting trained can have a profound impact on how the Unit functions. Help yourself, your Unit, and the youth by taking training in your position or something new. Bring a friend. There is probably at least one adult in your Unit that has not done any kind of training. Doing things together is a lot more fun, although making new friends can be its own reward as well. If you are not sure what training you should take then give me a call, or email, or find me at Round Table, and we can discuss all the ways you can give back to the Unit and the youth by getting trained.

Thank you, Mike Edler

Youth Protection Training is now "S.A.F.E. Guarding Youth Training (SYT)":

Youth protection is at the heart of everything we do. Announced at the Scouting America National Annual Meeting in Orlando, the new Safeguarding Youth training is now live and mandatory for all registered adult volunteers. It is also a joining requirement for new adult members.

Course Details:

Duration: ~90 minutes

Available in English and Spanish

Access it through my.scouting.org

Requirements: Complete all lessons + score 80% or higher on the final test

Annual Refresher:

After completing the full course once, a 15-minute refresher and retest is required each year to stay current.

Transition from Previous YPT:

If you've already completed Youth Protection Training (YPT), your certification remains valid.

If you took the prior YPT training, expiration is "One year from when the new training launched - at the latest [May 2025]. However - there is new material in the SYT which could genuinely save the life of a youth - inside or outside of Scouting."

Why This Matters:

Youth protection is at the heart of everything we do. This updated training reinforces a culture of active supervision, situational awareness, and safety, ensuring we're all equipped to help keep our Scouts safe.

In-Person SYT availability:

KLONDIKE DERBY: HOW TO TRAIN YOUR SCOUT

The 2026 Klondike Derby will take place at Beaumont on Saturday, January 31st from 8am-4:30pm with the Pathfinder and North Star Districts. The day will be jammed with activities and will include a hot lunch. The event is open to Venturers, Scouts BSA, and Arrow of Light Scouts attending with a troop. Units are welcome to camp on Friday and/or Saturday nights. However, each unit will need to make their own arrangements.

Registration:

Registration opens on 12/1/25. The cost is \$15 per person till 1/22/26. After that, the cost increases to \$20 per person. Registration and the Event Manual can be found at: <https://scoutingevent.com/312-107222>

Theme & Activities

This year's theme originates in the movie series, How to Train your Dragon, a story following Hiccup, a young Viking who befriends a dragon named Toothless. Together, they challenge Hiccup's village's belief that dragons are dangerous, showing that humans and dragons can live in harmony.

Like previous Camporees and Klondikes, patrols will have opportunities to earn points during the skill sessions and afternoon activities, like the Flag & Yell, Costume Contest, Sled Decoration, the Skit Competition, and Sled Race. At this year's Klondike, there is the Pathfinder tradition of the Currency System, where Scouts are free to trade with other Troops and the staff for more coins, extra food, or whatever else they may like. Coins will be turned in for points, so the more coins collected, the more points awarded! This year there will be multiple stocks to buy and trade. The Totem Exchange, another cool Pathfinder tradition, will return this year. In addition, we will be collecting pet food (Cats & Dogs) for the APA Pet Adoption Center in Brentwood, also worth points.

Interested in Staffing?

As always, we need many Scout staff members to run the event. By staffing, Scouts get a chance to practice leadership skills, make some new friends, and help make the event better for everyone. To be eligible to staff, a Scout must either be at least 14 years old, have reached the rank of Star Scout, or are approved by the Camping Chairman and the Scout's Scoutmaster. If a Scout wants to staff, they can reach out to the Camping Chair (see contact info below).

WHY GO TO A KLONDIKE DERBY?

We get asked this question all the time: Why go camping when it's cold and snowy? Our answer—why not! A Klondike offers unique experiences you simply can't get during summer camping. Here's why you should join us:

- You can participate in a way that works for you—come just for the day, stay Friday night, or camp Saturday night.
- Winter camping in the snow offers a greater physical challenge than camping in warmer weather.
- Build your derby sled and put your skills to the test by competing against other units.
- Experience nature in a whole new way. Snow muffles sound, creating a peaceful, quiet setting for relaxation and reflection—plus, no bugs!
- Nothing compares to the comfort of a warm fire on a cold winter day.
- We handle all the planning—you just show up and enjoy the activities.
- A Klondike provides excellent leadership opportunities for Scouts, whether serving on Camporee staff or leading within their own unit.
