## COMMISSIONER'S CORNER:

**Dear Fellow Scouters,**

Big thanks to all who attended the District Recognition Dinner last month. We have such an outstanding cadre of volunteers, and I'm glad that we could recognize the many Spark Plug Winners and our five Award of Merit recipients. We do truly have the best District in the country. Thank you all for what you do to provide the best possible program to our young men and women.

Yours in Scouting,

Joseph P. "Joe" Bradley, MD  
New Horizons District Commissioner  
Greater St. Louis Area Scouting  
[joseph.bradley@icloud.com](mailto:joseph.bradley@icloud.com)

## MEMBERSHIP:

Since 2019, Scouting America has expanded the ways youth and families can participate. Cub Scout Packs may be organized as either boys-only or family packs, and troops for young women were first introduced in 2019. As of this year, troops may now be chartered in three formats: boys-only, girls-only, or family troops. Reflecting both tradition and opportunity, Troop 301—the oldest troops in the Greater St. Louis Area Scouting which predates the Council—is now our first New Horizons District family troop, welcoming both boys and girls to be part of its long-standing Scouting legacy.

### **February Membership Focus**

February is a momentum month. Families are settled into school-year routines and starting to think ahead to spring activities. That makes this a key moment for Scouting—when interest can turn into action.

Our focus this month is simple: **help families decide to join now**. Many already believe Scouting is valuable. What they need is a clear invitation and an easy next step. February isn't about explaining why Scouting matters; it's about showing how accessible and welcoming it is.

Units should emphasize visible, fun experiences that quickly answer parents' questions:

- What will my child do?
- Will they make friends?
- Can our family manage this?

Short recruiting events, buddy invitations, and school or community connections work especially well right now. Every interaction should highlight that Scouting is active, social, and open to everyone—no prior experience required.

For volunteers, confidence matters more than perfection. Your role isn't to sell, but to help—by opening the door, creating excitement, and inviting families to take the next step. February momentum sets the tone for a strong spring.

### **Membership fees**

- \$85/yr. for Cub Scouts, Scouts BSA, Venturing and Sea Scouting participants (\$5 increase)
- \$65/yr. for all adult volunteers
- \$30/yr. for Scoutreach
- \$25/yr. for Merit Badge Counselors (Applies only to MB Counselors not already registered as leaders)
- \$50/yr. for Exploring participants Youth & Adults
- \$100/yr. unit renewal/affiliation fee
- \$15/yr. for Scout Life magazine

## **ADVANCEMENT:**

Scouting America (BSA) has a monthly live chat on Fridays that may be helpful:

<https://blog.scoutingmagazine.org/cubchatlive/>

**The Council office has moved to using Scoutbook to log Advancement. This will help ensure advancement is recorded correctly and timely. *PLEASE BE SURE TO RECORD ADVANCEMENT FOR YOUR YOUTH AS IT OCCURS.***

- Regularly input advancement into Scoutbook
- Have the Unit Leader “approve” that advancement within Scoutbook
- Have the Unit Leader “award” that advancement within Scoutbook

Approving and awarding can be easily done within Scoutbook by regularly running a “Needs Approval” or “Needs Awarding” report where you can quickly approve it all. We’d really appreciate your Units staying up to date with this!

## **Logging “Service Hours”:**

When your youth and adults do community service, please be sure to log those hours using Scoutbook so that they may be rolled into the Council total – all service hours are totaled for the Council and then at the national level and are reported to Congress during the Scouting America’s Report to The Nation every spring. Each hour of Volunteer Time is currently valued at over \$31 Per Hour!

## **Conservation Good Turn Award:**

Another of the awards our Scouts (all programs) and Scouters (yes, scouters) can earn is the Conservation Good Turn Award which is described here: <https://www.scouting.org/outdoor-programs/conservation-and-environment/conservation-good-turn/>

This award is eligible for Cub Scouts, Scouts BSA, Venturing Crew Members, Sea Scouts, and Explorers, and the adult leaders of these programs. The [Certificate Application](#) may be found on the page referenced above.

## **Cub Scout Resources:**

Are you looking for some great resources for advancement for all levels of Cub Scouts? Check out the Cub Scout Toolbox for ideas for dens and individuals working on Cub Scout ranks and achievements.

<https://stlbsa.org/resources/resources-toolbox/cub-scouts-toolbox/>

## **SCOUTS BSA REQUIREMENTS UPDATES:**

### **Ranks:**

There are updates to the Scouts BSA Advancement program that became effective on January 1<sup>st</sup>, 2024. There are minor changes to the Scout and Star ranks (#6). Note that the Cyberchip has been phased out and Scouts should use the Personal Safety Awareness training at:

<https://www.scouting.org/training/youth-protection/scouts-bsa/>

### **Palms:**

Scouts BSA no longer have to wait 3 months between Eagle Palms – they have to earn 5 additional merit badges and live by the Scout Oath and Law.

**All the changes are detailed below**, including information on major and minor changes to merit badge requirements:

<https://www.scouting.org/wp-content/uploads/2023/11/Advancement-Program-Updates-2024.pdf>

## **BSA Test Labs:**

Scouting America has implemented something new – The *Scouts BSA Test Lab* is an exciting way to help in the development of fun and interesting new topics unique to the Scouts BSA program. The requirements for each badge have the look and feel of merit badges, but instead of a printed pamphlet, you will find links to digital resources to help you complete the requirements. If enough surveys show Scouts enjoyed these potential new badges and a badge becomes an official merit badge, Scouts will be credited with having earned that badge! For more information, visit

## **Training Tip:**

Happy February New Horizon Leaders. Is one else ready for spring yet? As I sit here preparing this tip I was thinking about a couple of Troops that were camping this weekend. In the past week we went from 60 degree days to single digits on the weekend. Many say "welcome to St. Louis". And it's true that our Midwest weather often seems unpredictable and changes quickly. And it's not just during the winter.

All the seasons can bring unpredictable and fast changing weather which can be uncomfortable, and even hazardous. One training that can help with that is **Hazardous Weather Training** online. I know it can be a little glitchy and needs some updates. But this is a great opportunity to take the training with your youth present so they can learn with you.

Another training that can help for cold extremes is **OkPik** (ook-pick). The training is over for this year but now would be the time to plan to attend in December 2026 into January 2027. My favorite tip would be to send all Den Leaders, Cubmasters, Scoutmasters and ASM's first to position specific training, and then respective outdoor training. This will help teach planning for all weather conditions and more importantly how to train your Scouts to lead their fellow Scouts in safe practices and to be prepared. I heard that was a motto somewhere.

Whatever your skill level, or comfort level, let the New Horizon Training Team know how we can help you lead great outdoor activities. Stay warm!

Thank you, Mike Edler

Hazardous Weather is now a required training, and all adults should renew or take this training as soon as they are able. It is available online 24/7 in [my.scouting.org](https://my.scouting.org). To provide as safe of a program as possible, please take or renew your training!
