Actual Flight as a pilot in an Aircraft can occur during the summer with
St Louis University Flight School Aircraft and Certified Flight Instructors.

A parent must sign a liability waiver before the scout is permitted to fly.

There is a cost of \$100/scout to defer cost of fuel for SLU.

If interested in doing this please advise, historically these have been on Tuesday or
Thursday morning at St Louis Downtown Airport, Cahokia, Illinois in June and August.

Arrangements are being made for 2026 summer flights.
