COMMISSIONER'S CORNER:

Dear Fellow New Horizons Scouters,

As another summer camping season comes to a close, I hope you and your Scouts had the opportunity to experience new adventures, strengthen friendships, and create memories that will last a lifetime. Whether your unit attended summer camp, completed a high-adventure trek, or simply enjoyed time outdoors together, thank you to the leaders and volunteers who made those experiences possible. Your commitment is what keeps Scouting strong.

Now our attention turns to the start of a new Scouting year—a time of fresh recruits, exciting plans, and renewed energy. Commissioners are here to support your unit as you build your annual program, prepare for recharter, and work toward another successful year. If there's anything your unit needs, don't hesitate to reach out. We look forward to partnering with you to help every Scout enjoy a fun, safe, and meaningful Scouting experience.

Yours in Scouting,

Joseph P. "Joe" Bradley, MD

Getting Ready for Fall Cub Scout Recruitment

Fall recruitment season nears — and the Packs that plan ahead are the ones that grow. Here are a few things every pack should be doing right now:

Start mapping your calendar:

Scouting Calendars of Religious observances may be found here (look at 2026 & 2027):

<https://www.scouting.org/?s=calendar+of+religious+observances>

School Calendars: Note when parent-teacher nights and school events are scheduled — these are prime opportunities to get in front of families. Begin thinking about the best window for your pack's Sign-Up Night, keeping in mind that dates should stay *tentative* for now. In schools where our District Executives can arrange a lunchroom rally, those events are consistently the most effective recruitment tool we have, and scheduling may shift to make room for them. Update your family's calendar with school and Pack events, make sure uniforms still fit, gather any needed camping gear, and watch for fall recruitment nights and sign-up opportunities.

No lunchroom access? Start building now. If your school hasn't opened the door to lunchroom rallies, don't wait — use the summer to build brand awareness in your community and keep your unit active and visible. A pack that stays engaged over the summer is a pack families want to join in the fall.

Big Change Ahead: Renewals Are Moving to February

Here's something new families and leaders should know about: Scouting America is replacing today's two separate renewal schedules with one. Right now, units renew once a year on their own charter date, and individual members renew every 12 months from their join date — two different dates to track, and easy to let one slip. Beginning in Fall 2026, that changes.

One renewal season for everyone: Units and individual members will both renew in February going forward — one simple date for the whole pack to remember instead of a rolling patchwork of anniversaries.

Pro-rated for new members in 2027: New Scouts who join during the transition only pay for the months remaining until February — after that, they're on the same February renewal as everyone else.

A two-year transition, not an overnight switch: Units begin moving to the February cycle starting September 2026 (any unit expiring after 10/31 shifts to a February cycle). Members transition on a pro-rated schedule beginning January 2027. By February 2028, everyone — units and members alike — is fully on the single February renewal.

Why it's worth it: Fewer accidental lapses in membership, easier tracking of Youth Protection training (now tied to the renewal date), and one simpler process for leaders instead of juggling separate unit and member schedules.

Reminder: Lion & Tiger Adult Partners Must Register Separately

Signing your child's Lion or Tiger application as parent partner does not automatically make you a registered adult volunteer. Unit Leaders should advise adult partners wishing to hold a leadership role that they must submit a separate Scouting America adult application. Contact your Pack's Key 3 or reach out to the District for assistance getting registered.

Powerful Sign-Up Nights Are Coming This Fall — Get Trained!

Every Pack deserves a Sign-Up Night closer. Our world-class training converts nearly every prospect into a new Scout — and your Pack deserves a seat at the table. Reach out to **Chris Kadel** at **314.800.7039** or chris@signalhost.me to reserve your spot today.

Scouting For Food:

Scouting For Food started in 1985 and is the Greater St. Louis Area Scouting's one-of-a-kind day of service for Scouts of all ages. Thousands of Scouts, parents, and leaders hit the streets on a Saturday in November to distribute bags to the homes in their assigned area. Community members fill up those bags with non-perishable food items, and the Scouts return one week later to pick up those bags and distribute them to local food banks and pantries. Last year we collected nearly 2 million items.

Once again, Mark Balbes has volunteered to be our Scouting For Food Chairperson

ADVANCEMENT:

Scouting America (BSA) has a monthly live chat on Fridays that may be helpful:

<https://blog.scoutingmagazine.org/cubchatlive/>

The Council office has moved to using Scoutbook to log Advancement. This will help ensure advancement is recorded correctly and timely. PLEASE BE SURE TO RECORD ADVANCEMENT FOR YOUR YOUTH AS IT OCCURS.

- Regularly input advancement into Scoutbook
- Have the Unit Leader “approve” that advancement within Scoutbook
- Have the Unit Leader “award” that advancement within Scoutbook

Approving and awarding can be easily done within Scoutbook by regularly running a “Needs Approval” or “Needs Awarding” report where you can quickly approve it all. We’d really appreciate your Units staying up to date with this!

Logging “Service Hours”:

When your youth and adults do community service, please be sure to log those hours using Scoutbook so that they may be rolled into the Council total – all service hours are totaled for the Council and then at the national level and are reported to Congress during the Scouting America’s Report to The Nation every spring. Each hour of Volunteer Time is currently valued at over \$31 Per Hour!

Conservation Good Turn Award:

Another of the awards our Scouts (all programs) and Scouters (yes, scouters) can earn is the Conservation Good Turn Award which is described here: <https://www.scouting.org/outdoor-programs/conservation-and-environment/conservation-good-turn/>

This award is eligible for Cub Scouts, Scouts BSA, Venturing Crew Members, Sea Scouts, and Explorers, and the adult leaders of these programs. The Certificate Application may be found on the page referenced above.

Cub Scout Resources:

Are you looking for some great resources for advancement for all levels of Cub Scouts? Check out the Cub Scout Toolbox for ideas for dens and individuals working on Cub Scout ranks and achievements.

<https://stlbsa.org/resources/resources-toolbox/cub-scouts-toolbox/>

While you are checking out resources, updates to Cub Scout Advancement for the 2024-25 program year were recently posted here: <https://www.scouting.org/topics/program-updates/program-updates-cub-scouts/>

SCOUTS BSA REQUIREMENTS UPDATES:

Ranks:

There are updates to the Scouts BSA Advancement program that became effective on January 1st, 2024. There are minor changes to the Scout and Star ranks (#6). Note that the Cyberchip has been phased out and Scouts should use the Personal Safety Awareness training at:

<https://www.scouting.org/training/youth-protection/scouts-bsa/>

Palms:

Scouts BSA no longer have to wait 3 months between Eagle Palms – they have to earn 5 additional merit badges and live by the Scout Oath and Law.

All the changes are detailed below, including information on major and minor changes to merit badge requirements:

<https://www.scouting.org/wp-content/uploads/2023/11/Advancement-Program-Updates-2024.pdf>

Merit Badges:

2026 Merit Badge Makeup Day:

The event is designed to help scouts who began a merit badge at summer camp, but did not finish, to complete the merit badge with counselors. All badges that are offered at a GSLAC summer camp will be supported by this event. The climbing tower, rifle range, shotgun range, archery range, and pool will all

be available and staffed to allow scouts the opportunity to finish their badges. No advance registration is required; there is no charge for this event; this event is to help scouts complete merit badge partials, not to begin new merit badges; the pool will only be open from 8 am – 11am.

Where: Beaumont Scout Reservation

When: August 22, 2026 from 8:00 am to 12:00 pm

For more information, contact mbmud@stlesa.org

Merit Badge Counselors please note!

Effective July 1, 2026, a merit badge counselor can now counsel as many as 10 merit badges. You can be a counselor for up to 4 Eagle Required merit badges and 6 electives, or counsel 10 electives, or any combination of merit badges with the stipulation that you are limited to 4 Eagle Required badges. The previous limit was 4 merit badges total. While scouts may opt to obtain many badges from counselors within their troop, one of the purposes of merit badges is for scouts to reach out to an adult that they don't know. As a reminder, all merit badge counselors need to take "Safeguarding Youth Training (Y01)", "Introduction to Merit Badges (SCO_474)", and "What is a Merit Badge Counselor (SCO_486)"

ALL MERIT BADGE PAMPHLETS ARE NOW AVAILABLE ONLINE HERE AND CONTAIN THE LATEST 2026 REQUIREMENTS: <https://www.scouting.org/skills/merit-badges/digital-resource-guides/>

2026 UPDATES: <https://www.scouting.org/skills/merit-badges/all/>

Many merit badges have updates to their requirements. See the following link:

<https://www.scouting.org/program-updates/scouts-bsa-advancement-updates-effective-january-1-2026/>

New Cybersecurity and Artificial Intelligence Merit Badges!

Scouts BSA has recently released two NEW Merit Badges: Cybersecurity and Artificial Intelligence. For details on these merit badges, read the "On Scouting" article:

<https://blog.scoutingmagazine.org/2025/10/15/scouting-america-launches-merit-badges-in-cybersecurity-and-artificial-intelligence/>

New Wildland Fire Management Merit Badge:

Wildland Fire Management Merit Badge was introduced on July 29th, 2026 at the 2026 National Scout Jamboree at the Summit Bechtel Reserve. For more information on this new merit badge, visit:

<https://www.scouting.org/merit-badges/wildland-fire-management/>

Citizenship in Society discontinued:

Citizenship in Society has been discontinued effective February 27, 2026. Scouts who started this merit badge prior to that date may continue to work on it until December 31, 2026, though it is no longer an Eagle Required merit badge – see below for more information on Eagle Scout requirements.

BSA Test Labs:

Scouting America has implemented something new – The *Scouts BSA Test Lab* is an exciting way to help in the development of fun and interesting new topics unique to the Scouts BSA program. The requirements for each badge have the look and feel of merit badges, but instead of a printed pamphlet, you will find links to digital resources to help you complete the requirements. If enough surveys show Scouts enjoyed these potential new badges and a badge becomes an official merit badge, Scouts will be credited with having earned that badge! For more information, visit

<https://www.scouting.org/skills/merit-badges/test-lab/>

EAGLE SCOUTS

Important - Eagle Scout Rank Requirements Change/Eagle Scout Application Change:

Effective February 27, 2026, the "Citizenship in Society" was been discontinued, though Scouts who began this merit badge before that date may continue to complete it before December 31, 2026. There are now 13 Eagle Required merit badges with a total of 21 merit badges needed to earn the rank of Eagle Scout. The Eagle Scout Application has been changed to reflect this (see below for the link). An additional line for parents' contact information has also been added in the "Letters of Recommendation" section. Here is an article that clarifies the Eagle Scout Application changes:

Training Tip:

Hello New Horizon Leaders!

Welcome to the next season of Scouting in GSLAS. I hope everyone had a great summer with many Scouting adventures.

As we get closer to back to school starting there is a lot of planning on school nights to join Scouting going on. Finalizing the calendars and ready to hand out to new Scouts and families can be a great recruiting tool. Adding training dates to the calendars and letting those new parents know how important training is to the units success. How important is training to the success of the unit? I am glad you asked!

Units that have trained leaders have more rank advancement. Better attendance. More participation. And more fun. That's success! The training dates are on the district and council web site pages. And if you are not sure of what you need or when a training is send me an email, text, or carrier pigeon. The training team will bring the program to you. We want you to succeed. And most importantly we want every available youth to get the most out of Scouting.

Thank you, Mike Edler

Youth Protection Training is now "S.A.F.E. Guarding Youth Training (SYT)":

Youth protection is at the heart of everything we do. Announced at the Scouting America National Annual Meeting in Orlando, the new Safeguarding Youth training is now live and mandatory for all registered adult volunteers. It is also a joining requirement for new adult members.

Course Details:

Duration: ~90 minutes

Available in English and Spanish

Access it through my.scouting.org

Requirements: Complete all lessons + score 80% or higher on the final test

Annual Refresher:

After completing the full course once, a 15-minute refresher and retest is required each year to stay current. The refresher is now available followed by a test (you must score 80% or higher or you will need to re-take the 90-minute course).

Transition from Previous YPT:

If you've already completed Youth Protection Training (YPT), your certification remains valid until May 2026. However - there is new material in the SYT which could genuinely save the life of a youth - inside or outside of Scouting.

Why This Matters:

Youth protection is at the heart of everything we do. This updated training reinforces a culture of active supervision, situational awareness, and safety, ensuring we're all equipped to help keep our Scouts safe.

In-Person SYT availability:

If your unit is interested in an in-person training session, it is now available via our Council Youth Protection Champion, Tim Trace. Contact him at tjtrace.bsa@gmail.com

Hazardous Weather Training:

Hazardous Weather is now a required training, and all adults should renew or take this training as soon as they are able. It is available online 24/7 in my.scouting.org. To provide as safe of a program as possible, please take or renew your training!
