Campmaster

The S bar F Campmaster Corps members are registered Scouters who help visitors have a safe and enjoyable experience. Campmasters provide a camp orientation for each unit upon arrival and inspect the camp upon departure to maintain safe, secure facilities. A typical weekend schedule for Campmasters might be:

- Friday: Check-in units from 5-9 p.m.
- Saturday: equipment checkout to units, service projects, help Rangers, free time to enjoy activities
- Sunday: Check-out units 8 a.m.-noon

Housing is available in the newly renovated Health Lodge. This facility includes a full kitchen, beds, and laundry.
