YPT is required for all adult leaders! It is available to complete online, but we can also come to you for group, in person training. Contact Devin Holroyd to schedule your unit's training today! **Remember it's still 2020...there is a good chance you need to renew your training from the launch of the new YPT training in 2018!**

Note from Training Chairman, Devin Holroyd.

Well who thought 2020 was going to throw this much chaos at the world? I first want to commend everyone who has remained active throughout the pandemic—you exemplify true dedication to your youth, so Thank You!

As we continue to trudge through these tough times, remember why we Scout it Out. Everyone's answer may be slightly different, but a quick reminder to ourselves can be wonderous for our resolve.

One of the many side effects of "going virtual" for nearly every type of meeting, is that we now know how to handle virtual course offerings. Be on the lookout for a mix of in-person, virtual, and online training courses coming soon.

The training teams and I are looking forward to a great last quarter of 2020, and an energized start to 2021!
