Helpful Info

1. Cub Scout Overnight Tent Waiver
 - a. Due to the age, duration of camp, and psychological needs of Cub Scouts, Cub Scout parents are allowed to sign a waiver allowing their scout to tent with one other designated Cub Scout. Parent(s) of each Cub Scout must sign the form and all other safety considerations must be followed. This change is being made for Cub Scouts only and not Scouts BSA at this time.
 - b. The waiver is not complete yet. We are working to have it done ASAP.
2. Camper Savings Day ends on May 5th
 - a. Do not forget! Camper Savings is just under a month away!
 - b. Be sure to let everyone know, sign up for camp NOW to ensure their spot and to save \$10-20 per registration!
3. Check out the new announcement on Patrol Cooking Guidelines
