A new Scoutmaster and Assistant Scoutmaster is considered trained upon completion of Scoutmaster and Assistant Scoutmaster Leader Specific Training and the Introduction to Outdoor Leader Skills.

This hands-on program gives adult leaders a practical introduction to the patrol method of a Scout-led troop by teaching many of the practical outdoor skills they need to lead Scouts in the out-of-doors.

The skills sessions presented in Introduction to Outdoor Leader Skills closely follow the Scout Handbook and are meant to serve as an adult training outline. By using these skills sessions in conjunction with the Scout Handbook, trainers can be sure new leaders are proficient in many of the basic outdoor skills through First Class rank, and gain exposure to the patrol method and numerous teaching methods and learning games.

Participants should leave the training experience with a full understanding of how the patrol method operates, a feeling of comfort in working with and instructing their Scouts, and an increased level of confidence taking Scouts outdoors safely. With that comes great satisfaction.
