## February 2021 Ed.

*"The Scoutmaster teaches boys to play the game by doing so himself."  
- R.B.P.*

YPT is required for all adult leaders! It is available to complete online, but we can also come to you for group, in person training, or Virtually. Contact Devin Holroyd to schedule your unit's training today!

Note from  
Training Chairman, Devin Holroyd.

Welcome to 2021! YES!! our restrictions have lifted somewhat, and we can go back to in person meetings! Take a moment to *breathe* and rededicate yourself to the youth of the program. Remember why the Scouting movement exists. As Baden-Powell said, "A Scout smiles and whistles under all circumstances." I hope you are all as excited as I am to get back to putting the outing in scouting.

I would like to take a moment to remind you and your fellow leaders that we do not have to do this all alone. Remember to delegate some tasks and responsibilities. Encourage adults to join committees by giving them a small task—like being in charge of one specific outing (fishing, camping, hiking, conservation project...) Just don't forget to RECOGNIZE them for a job well done.

Unit committees should include as many adults and positions as you can dream of. Unit Trainer, Membership coordinator, Secretary, Fundraiser, Fishing specialist, whatever you want! Just have a plan.

Commissioners!

Have you earned your degrees? Deans of Colleges of Commissioner Science are waiting to give you your knots!

March 6th, 2021 is the next college and it is virtual. From the comfort of your own home you can earn a degree. Sign up on black pug— <https://scoutingevent.com/312>

The commissioner staff truly is a vital aspect of the Scouting World. It doesn't take much to be a Unit Commissioner! Reaching out to a specific pack, troop, crew, or ship each month to see how they're doing? I can do that! We all love Scouting, and the fellowship it brings. Expand your network and help other adults help the youth in the program!

Be sure to talk to our District Commissioner Glenn Hay to put your name on his radar.

**Remember to check out the training portion of the [scouting.org](http://scouting.org) website!** There you will find the most up to date information on all things training from National. [www.scouting.org/training](http://www.scouting.org/training)
