

Do you think all chemists do is blow things up? Would you like to conduct some experiments yourself - and take a tour of a working excipient manufacturer? Do you want to find out what an excipient is? Then attend the.....

Scouts BSA Chemistry Merit Badge Clinic Saturday, October 1, 2022

Jost Chemical 8110 Lackland Rd. St. Louis, MO 63114.

Registration will open at 8am, the opening session will begin at 8:15 am. The clinic will end by 1:30pm. Registration is limited, and is available on a first come, first served basis at

<https://tinyurl.com/ChemMB2022>

To confirm your online reservations, send \$8/scout payable to St Louis Section ACS, c/o Lisa Balbes, 648 Simmons Ave, Kirkwood, MO 63122 to hold your place. Alternatively, you can PayPal payment to <https://paypal.me/stlacstreas> or to stlacstreas@gmail.com. Questions can be addressed to lisa@balbes.com.

On that day, please **bring**:

- Chemistry Merit Badge booklet - 2011 or later edition, READ from cover to cover.
- Merit Badge Application Card (blue card) - signed by your scoutmaster or other proof that your Scoutmaster is aware you are working on this badge
- Due to the nature of the activities, **close toed shoes, pants that extend to the ankle and shirt sleeves that extend to the wrist are required.** Scouts not properly attired will be sent home.
- Safety glasses, if you have them. If not, they will be provided.

Prework - Requirement 4a (cooking and eating an onion) must be completed at home, prior to the workshop. Please be prepared to discuss this with your counselor.

Lunch will be provided for scouts (included in your \$8 fee), and merit badge counselors will be available at the end of the session to meet with scouts individually.
